

EMBARGOED: DECEMBER 15, 2025, 4PM CET

Celebrate the season with free plugins and storewide holiday savings from NI and iZotope

Get a new Massive X expansion and iZotope's Insight 2 metering plugin to infuse the holidays with synths and science

Berlin, December 15, 2025 – Native Instruments and iZotope have launched their annual Holiday Sale. To celebrate the season, the brands are offering two premium products for free: [Creative Chords](#), a new expansion for Massive X and the free Massive X Player, and [Insight 2](#), iZotope's comprehensive audio analysis and metering tool. Alongside the free gifts, expect deep discounts across both shops, making for an end-of-year chance to get the latest powerful studio upgrades.

A gift for you: two free studio essentials

For a limited time, producers can get creative with chord progressions and illuminate their mix with two complimentary tools designed to inspire and refine.

- **Creative Chords, a new Massive X Expansion free for a limited time:**
Designed to turn Massive X Player into a harmonic playground, [this new expansion](#) includes 50 presets built entirely around the synthesizer's Chord Mode. Perfect for building lush chords with a single key press.
- **Insight 2, iZotope's pro metering plugin is free for a limited time:** normally \$199, [Insight 2](#) helps visualize your sound, enabling smarter mix decisions. Get loudness right for streaming services, monitor stereo width, and make sure your dialogue is loud enough for film and tv.

Native Instruments: flexible discounts on top instruments

This holiday season at Native Instruments, the more you buy, the more you save. Create a custom collection of instruments and effects, and get more off as you go.

- **Tiered Savings:** Save 10% on orders over \$100, 20% on orders over \$200, and 30% on orders over \$500 across a vast range of non-bundle software.
- **Traktor Pro 4:** DJs can grab creative DJ software for just \$99, or as a \$49 update, with discounts for Traktor Play users.
- **NI 360 Subscription:** Get 12 months of NI 360 for the price of 9, unlocking everything you need to produce, mix, and master in one subscription.

iZotope: intelligent tools, better when bundled

Get substantial savings on flagship suites and creative effects when you bundle up this holiday season.

- **30% off bundles and suites:** Save on industry standards like Music Production Suite 8, Post Production Suite 8.6, and the Everything Bundle.
 - **Free gift:** When you buy an iZotope bundle, get a voucher for your choice of an Elements-tier plugin to keep or gift to a friend, letting them dive into mixing, mastering, audio repair, or vocal production.
- **\$29 creative stocking stuffers:** Mix confidently with purpose-built Catalyst Series plugins like Aurora and Velvet, or explore creative chaos with Trash, VocalSynth 2, and Neoverb—all available for just \$29 each.

- **\$49 Tonal Balance Control 2:** the indispensable tool for matching your mix to a target curve is now available for just \$49.
- **30% off flagship plugins:** Pick and choose your own individual plugins and save big, whether you're polishing vocals with Nectar 4, minimizing distracting noise with RX 11, or deep in the mix with Neutron 5.

Holiday deals not your bag?

Native Instruments and iZotope offer a powerful mix of instruments and effects for free, all year round.

- **Massive X Player:** NI's flagship synth just got an update, adding [a new Player version](#) with a fun and creative new way to morph and modulate.
- **Komplete Start:** a comprehensive [collection of free plugins](#) for producers and songwriters featuring a wide array of premium synths, keys, drums, guitars, choirs, and instruments from across the world, ready to inspire productions in any style.
- **Free iZotope plugins:** Get that wavy record sound with Vinyl, thicken vocals with Vocal Doubler, or go wild with Trash Lite. Get these and [more free iZotope plugins today](#).
