Mission

Georgia College & State University's Office of Leadership Programs provides teaching, research, and public service related to leadership, citizenship, democracy, and public affairs. With the support of a distinguished faculty and practitioners, we educate the next generation of Georgia's leaders for the public good. Our programs bring together scholars and students, as well as business leaders, non-profit executives, journalists, and public officials, and offer a trusted forum on citizen-leadership and pressing issues of the day.

Competitive Advantage

The Georgia College student experience is distinguished by our multidisciplinary approaches to leadership learning, based in the arts and letters. Georgia College provides rich opportunities for mentorship, both formal and informal, as students learn to be leaders for the public good.

The Creative Leadership Framework

The Creative Leadership Framework is Georgia College's signature approach to preparing leaders for the public good. The Creative Leadership Framework combines the deep knowledge students bring from their disciplines with a set of core leadership competencies that all GC students encounter in our leadership programs, courses, and initiatives.

The Creative Leadership Framework integrates the leadership traits and competencies that Georgia College students must master as they strive to lead fulfilling lives of citizenship, leadership, and service.

For details regarding the Creative Leadership Framework, please visit gcsu.edu/leadership/framework.
