

Annex to the regulations of the Adgar Park West parking for persons
subscribing to a parking ticket at the ticket offices

1. This Annex sets out the rules for using the unguarded parking zone, assigned for private individuals, who are buying a subscription directly at the SKIDATA parking ticket office under the management of Adgar BCIII Spółka z o.o. (limited company). based at al. Jerozolimskie 181B in Warsaw.
2. The assigned parking zone is monitored, unguarded, intended only for persons who have purchased a subscription at the Adgar Park West parking ticket office.
3. Everyone, who is using the parking on the basis of subscription purchase, is required to familiarize with the contents of this annex:
 - The subscription user with ground parking access is obliged to occupy places in the designated area for private tenants (applies to the ground subscription) indicated on the attached map
 - The user of underground parking is obliged to park only at non-dedicated spaces, which are not marked
 - Parking of vehicle at the places marked for other companies is associated with tow-away of this vehicle at its owner's expense according to the price list.
 - Parking in places outside the designated zone is associated with the non-renewal of the subscription for another period.it applies to ground area subscribers
