# Polish Presidency of the Council of the European Union

## FRSE in cooperation with the Ministry of National Education under the Polish Presidency

The Foundation for the Development of the Education System (FRSE) actively supports the Ministry of National Education (MEN) in implementing activities related to the Polish Presidency of the Council of the European Union. As part of this cooperation, FRSE is involved in organizing events, conferences, and expert meetings that promote key educational priorities and the exchange of best practices at the European level. These activities focus on strengthening international educational cooperation, innovative solutions in education, and developing mobility opportunities for young people and teaching staff.

# 2021-2027 budget for European education programmes

With a separate budget of **€26.2 billion** for 2021-2027, the new Erasmus+ programme will not only be more inclusive and innovative, but also more digital and greener.

The European Commission has allocated more than €1 billion for the new perspective of the European Solidarity Corps Programme, which will provide at least 270,000 young people with the opportunity to contribute to solving social and humanitarian problems through volunteering or creating their own solidarity projects.

# Foundation for the Development of the Education System – learn more

We manage programmes, projects and initiatives aimed at broadening basic and specialist knowledge and acquisition of new skills and competencies in formal, non-formal and informal education settings.

In 2014, the Foundation for the Development of the Education System was entrusted with the role of National Agency for the Erasmus+ Programme and the European Solidarity Corps (since 2018). Foundation for the Development of the Education System is the only institution in Poland with such extensive experience in managing educational programmes, especially EU programmes.
