

The background of the image is a technical drawing on a light-colored paper. A wooden pencil is positioned diagonally across the drawing, pointing towards the bottom right. A white ruler is visible in the bottom left corner, showing markings in centimeters. The drawing consists of various geometric shapes, lines, and dimension lines, with some handwritten numbers and letters. The overall scene is dimly lit, with a soft glow around the pencil and ruler.

CB01
TECHNICAL SPECIFICATIONS

SUSTAINABLE TOOL-WATCHES

crowdmanufactured by

Ref: CB01-024

Type of production: 100% Swiss made.

CASE

Diameter 40 mm
