

# BNP PARIBAS REAL ESTATE POLAND WELCOMES NEW FACES IN THE VALUATION DEPARTMENT

**In mid-March, Yana Lytvynchuk and Anastasija Kliatska joined the Valuation team of the BNP Paribas Real Estate Poland consulting agency. To date, two high-level and highly experienced experts have provided and supervised comprehensive valuation advisory services for different types of real estate for owners, investors and tenants served by the leading real estate agency in Ukraine.**

Yana Lytvynchuk became Associate Director and will undertake consulting with respect to valuation of real estate portfolios and the most complex projects for, among others, mergers, acquisitions or credit collaterals developed for key customers of the company. The new director will also be responsible for supporting a team of property valuers, preparing analyses of the market and the competition, feasibility studies, as well as developing recommendations for companies investing in various sectors of the real estate market in Poland and in the region. Yana is an expert with over 17 years of experience in the commercial real estate industry, which she mainly gained on the Ukrainian market, where she held high management positions in recent years. She provided consulting services for major banks and financial institutions, investors, developers and trading networks operating in Ukraine. She also implemented projects for diplomatic posts, including embassies, such as: The United States, Norway, Canada and the United Kingdom.

In mid-March, Anastasija Kliatska, an expert with over 15 years of market experience, became a new valuer in the ranks of BNP Paribas Real Estate Poland. In the company, she will focus on, among other things: valuations of various types of real estate in Poland and in the countries of the region, preparation of investing analyses, reports and recommendations to assist customers in estimating and developing real estate potential. During her career, Anastasija has advised owners of major retail properties and DIY networks in Ukraine. Her knowledge and experience in portfolio valuation was used by the investor and developer, NHood. In the past, the new valuer in the ranks of BNP Paribas Real Estate Poland also worked for diplomatic posts in Ukraine – the embassies of the United States, Denmark and Canada.

*– With Yana and Anastasiya, we can significantly extend the scope of our strategic valuation advisory services and expert advisory services as well as hotel properties in particular. I believe that their extensive experience, intellectual capital and comprehensiveness in action will allow us to keep pace with the changes we observe in the business environment – says **Izabela Mucha**, Head of Valuations, BNP Paribas Real Estate Poland.*
