Fabrizia Limoncello

LEMONS FROM ITALY
ALL NATURAL
FOUR SIMPLE INGREDIENTS:

The zest of 100% Italian lemons, alcohol, sugar, and water.

We apply this very same, all natural approach to all of our Cellos including Fabrizia Crema Di Limoncello, Fabrizia Blood Orange, and Fabrizia Crema Di Pistacchio.

The Fabrizio Lemon Baking Company was launched in November 2020 as a way to tie in our love of food with our passion for limoncello.

"What separates us from everyone else are the ingredients that we choose to use for our Limoncello and baked goods. We import all of our lemons directly from Sicily and they are the ONLY thing that provides our Limoncello with its flavor and color. That Limoncello is then used as the foundation to our cookies, biscotti, lemon loaves, blondies, cake jars and whoopie pies!"
- Phil Mastroianni

"The world's most perfect cookie...irresistible!- Jennifer English, Food & Beverage Magazine
