LES DAMES D'ESCOFFIER SAN ANTONIO

THE BIG BAZAAR | A TALE OF TREASURES

Dear Community Partner,

Les Dames d'Escoffier San Antonio invites you to be part of The BIG Bazaar – A Tale of Treasures, an elevated shopping experience and our 2026 fundraiser supporting LDEISA Aspiration Grants.

Join us on Saturday, November 7, 2026, from 10 a.m. to 5 p.m., with Early Bird Entry at 8:30 a.m. This curated, high-end estate-sale-style event will bring together exceptional fashion, home décor, collectibles, culinary treasures and unique finds, alongside select food and beverage experiences.

Your sponsorship will help turn the aspirations of women entrepreneurs into opportunity. Established by our chapter and first awarded in 2016, the Aspiration Grant supports women in the South Texas and Texas Hill Country regions who are not LDEISA members, have been in business for at least three years, have a record of culinary innovation and need assistance to take their businesses to the next level.

LDEISA brings together nearly 100 women leaders across culinary, hospitality and agriculture, including chefs, restaurateurs, business owners and other industry professionals. Through your partnership, you can support the next generation of women leaders while connecting your brand with a vibrant community committed to education, philanthropy and excellence.
